PREPARED AT HOME

PRINTABLE HANDOUTS FOR THE FAMILIES YOU SERVE

Plain-language planning pages for adult children caring for an aging parent: what to ask, what to track, and what to do the first week home. Families fill them in by hand and bring them to every visit.

FREE HANDOUT

$0 · print as many as you like

13 questions to ask the doctor. One page, with room to write the answers. Good for intake packets, waiting rooms and discharge folders.

preparedathome.netlify.app/free/questions-to-ask-the-doctor.pdf

PRINT LICENSE

$49 a year per location

Print unlimited copies of all three kits for your own clients, patients or members:

- **After the Hospital**: the first 7 days home (11 pages)
- **The First 30 Days**: caregiver starter kit (14 pages)
- **Home for the Holidays**: is it time? (8 pages)

Includes every update during the year.

MADE FOR

- Home health and hospice agencies
- Discharge planners and case managers
- Area Agencies on Aging
- Senior centers and adult day programs
- Church caregiver and care ministries
- Elder law and financial planning offices

See it before you decide. Scan the code or visit **preparedathome.netlify.app/agencies** to request a free review copy of all three kits. We'll send the PDFs within one business day.

Questions about a bulk order or a version with your organization's name on it? Use the same page.
