PREPARED AT HOME

READY FOR THE NEXT ICE STORM?

IF THE TAP ISN'T SAFE: BLEACH DROPS PER GALLON

5–6% bleach	8.25% bleach
8 drops · 16 if cloudy	**6** drops · 12 if cloudy

Plain unscented bleach. Stir, wait 30 minutes. Or boil 1 minute. From CDC/EPA emergency drinking-water guidance.

THE NIGHT BEFORE

- [ ] Water: 1 gallon per person per day, at least 3 days
- [ ] Charge phones and battery banks
- [ ] Refill prescriptions before the roads get bad
- [ ] Generators 20+ feet from the house. Never heat with an oven or grill.

Free: the 90-Day Home Readiness Kit

Printable plan, including what to buy with each paycheck, about $25–40 at a time
